

General Setup Instructions

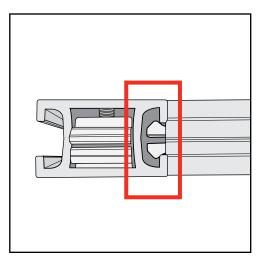

- Read entire setup instruction manual prior to unpacking parts and pieces.
- The setup instructions are created specifically for this configuration.
- Setup instructions are laid out sequentially in steps, including exploded views with detailed explanation for assembly.

Cleaning & Packing

- For Cleaning Metal, Plex, & Laminate Parts:
 Use a MILD NON-ABRASIVE cleanser and soft cloth/paper towel to clean all surfaces.
- Keep exhibit components away from heat and prolonged sun exposure.
 Heat and UV exposure will warp and fade components.
- Retain all provided Packing Materials.
 All provided packing materials are for ease of repacking & component protection.

Part Identification - Numbering

Engaged Lock

Disassembly

- For loss prevention, keep all knobs & connectors attached to extrusions during disassembly.

DO NOT USE POWER TOOLS

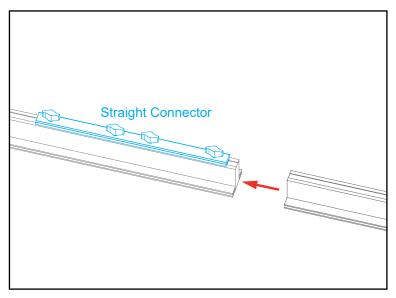

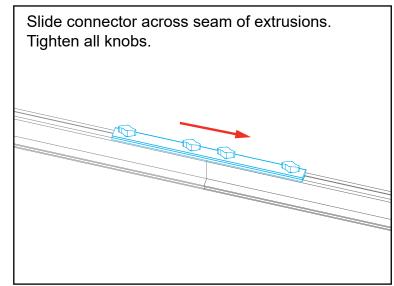

ALL CONNECTIONS MUST BE TIGHTLY SECURED

Straight Connection

When assembling frame, first attach all straight connectors, then attach corner connectors.

- 1) Place extrusions end-to-end.
- 2) Loosen all knobs, then slide straight connector across the seam of extrusions.
- 3) Tighten all knobs to secure connection.

All knobs must be tightened securely to ensure a proper connection.

Disassembly

- 1) Loosen all knobs.
- 2) Slide connectors off of one extrusion.
- 3) Tighten knobs to prevent loss during packing & shipping.

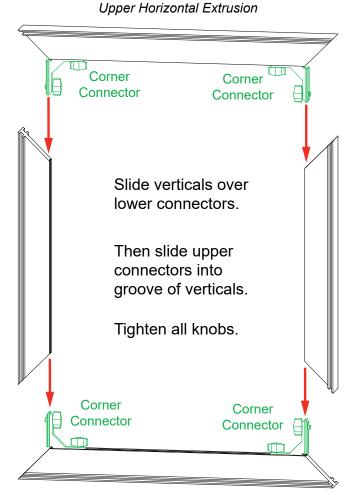

Keep straight connectors in groove of extrusion. Do not remove connectors during disassembly.

Corner Connection

- 1) Loosen knobs, then slide vertical extrusions onto corner connectors of lower horizontal extrusion.
- 2) Slide corner connectors of **upper** horizontal extrusion into grooves of vertical extrusions.
- 3) Tighten all knobs to secure connection.

Disassembly

- 1) Loosen knobs on vertical extrusions.
- 2) Slide the vertical extrusions off of corner connectors on lower and upper horizontal extrusions.

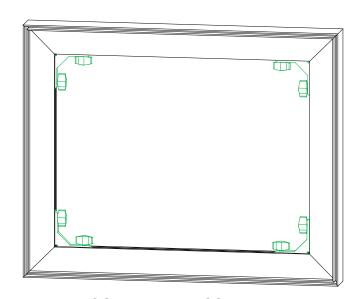

Lower Horizontal Extrusion

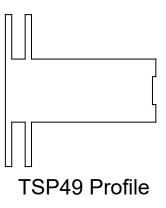

Adjust connectors if necessary to prevent gaps in connection.

COMPLETED ASSEMBLY

All knobs must be tightened securely to ensure a proper connection.

Frame Assembly - Middle Arch Frame

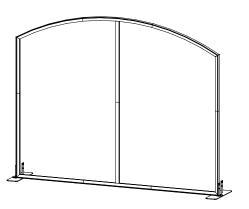

tem	Qty.	Description
1	1	45"h TSP49 Vertical Extrusion
2	1	31.305"h TSP49 Vertical Extrusion
3	1	45"h TSP49 Vertical Extrusion
4	1	31.305"h TSP49 Vertical Extrusion
5	1	36.467"w TSP49 Horizontal Extrusion
6	1	36.467"w TSP49 Horizontal Extrusion
7	1	36.467"w TSP49 Horizontal Extrusion
8	1	38.019"w TSP49 curved Horizontal Extrusion
9	1	38.019"w TSP49 curved Horizontal Extrusion
10	1	38.019"w TSP49 curved Horizontal Extrusion
11	1	43.209"h Z45 Vertical Extrusion
12	1	43.423"h Z45 Vertical Extrusion

6" x 22" Base Plate w/ adjustable flange (left)

Steps:

Refer to the TSP49 Frame Assembly general information page.

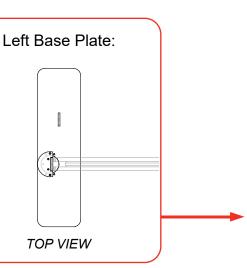

- 1) Assemble vertical extrusions [1-2], [3-4] & horizontals [5-6-7], [8-9-10] together using tool-less connectors.
- 2) Connect vertical assemblies [1/2], [3/4] between horizontal assemblies [5/6/7], [8/9/10], using tool-less corner connectors.
- 3) Attach verticals [11-12] between horizontal assemblies [5/6/7], [8/9/10] using Connection Lock w/ Knob.
- 4) Install Base Plates [11] & [12] to bottom corners of frame assembly as shown. See Base Plate Attachment detail.

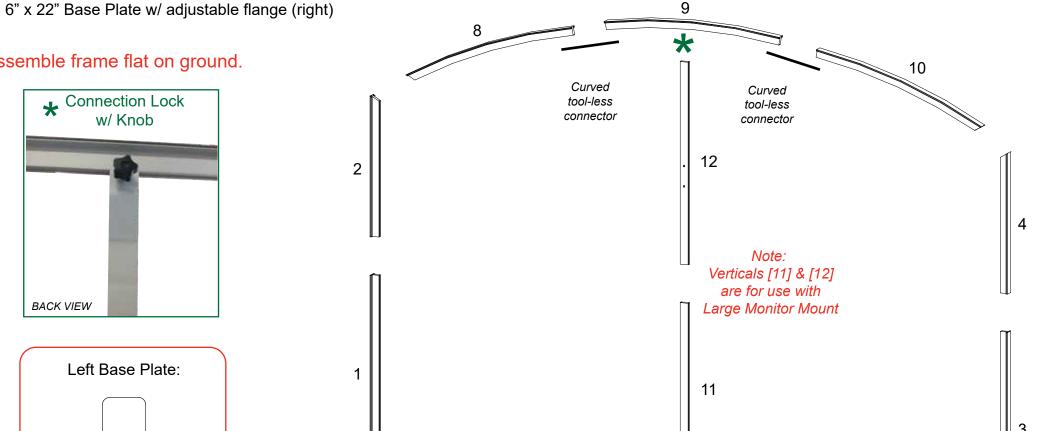

When assembled

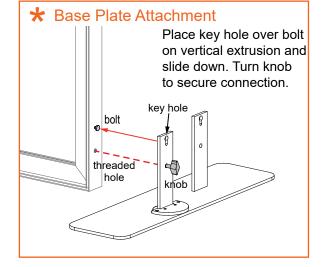

Assemble frame flat on ground.

Steps:

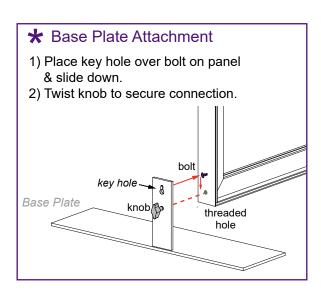

Refer to the TSP49 Frame Assembly general information page.

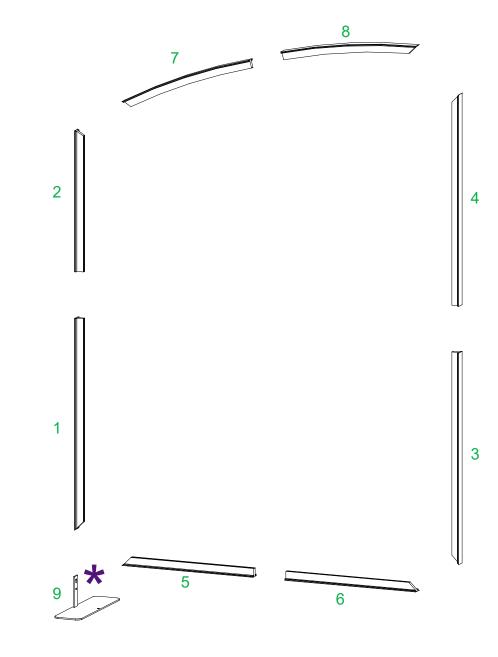

- 1) Assemble vertical extrusions [1-2], [3-4] & horizontals [5-6], [7-8] together using tool-less connectors.
- 2) Connect vertical assemblies [1/2], [3/4] between horizontal assemblies [5/6], [7/8], using tool-less corner connectors.
- 3) Install Base Plate [9] to bottom corner of frame assembly as shown. See Base Plate Attachment detail.

When assembled

Assemble frame flat on ground.

Frame Assembly - Right Flat Rectangle Frame

tem	Qty.	Description
1	1	45"h TSP49 Vertical Extrusion
2	1	45"h TSP49 Vertical Extrusion
3	1	45"h TSP49 Vertical Extrusion
4	1	45"h TSP49 Vertical Extrusion
5	1	27.35"w TSP49 Horizontal Extrusion
6	1	27.35"w TSP49 Horizontal Extrusion

Steps:

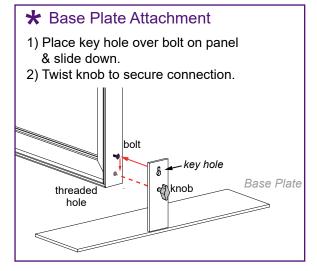

Refer to the TSP49 Frame Assembly general information page.

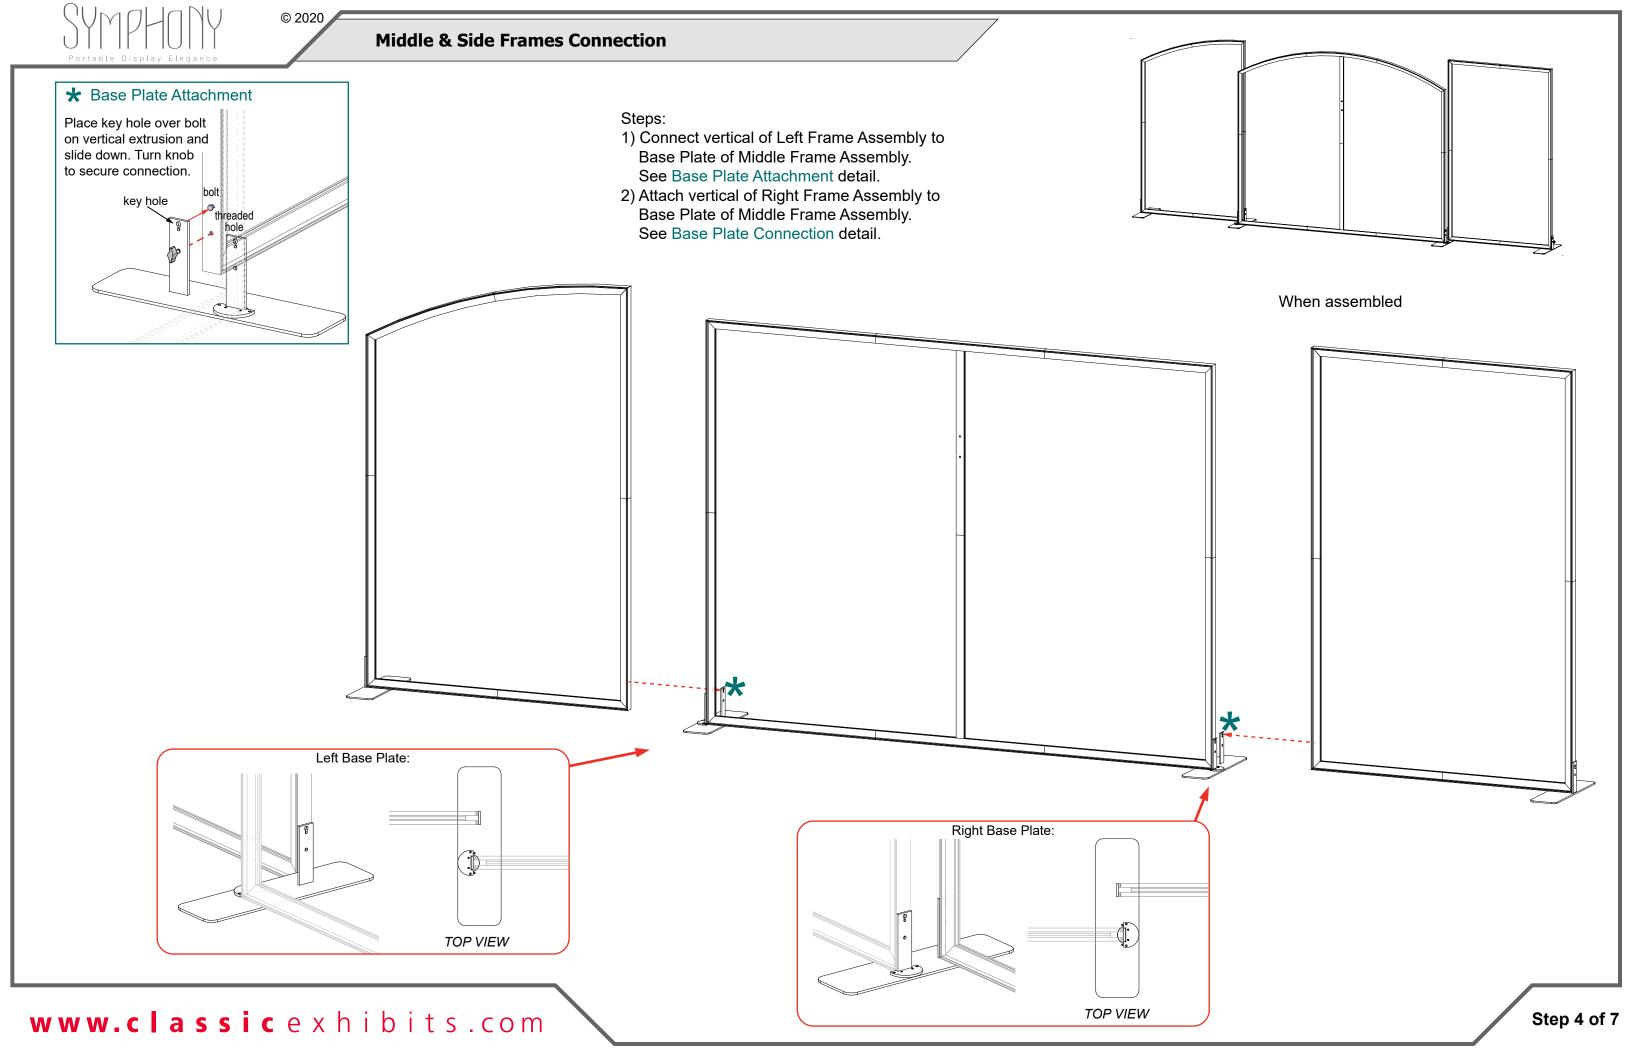

- 1) Assemble vertical extrusions [1-2], [3-4] & horizontal extrusions [5-6], [7-8] together, using tool-less Straight Connectors.
- 2) Connect vertical assemblies [1/2], [3/4] between horizontal assemblies [5/6], [7/8], using tool-less Corner Connectors.
- 3) Install Base Plate [9] to bottom corners of frame assembly as shown. See Base Plate Attachment detail.

When assembled

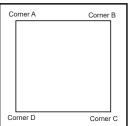

Assemble frame flat on ground.

SEG Graphic Installation

It is important to first insert graphic into each alternate corner, then to the sides of the frame. If this is not done, graphic will not fit into the frame correctly.

© 2020

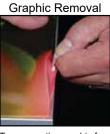

Insert corner A. Turn edge of graphic so silicon welt is perpendicular to face of graphic. Insert narrow side of welt with fabric to outside into the channel. Repeat for other side of this corner.

Repeat Step 1 for opposite corner C, then insert corner B, followed by corner D, to complete the installation of the corners.

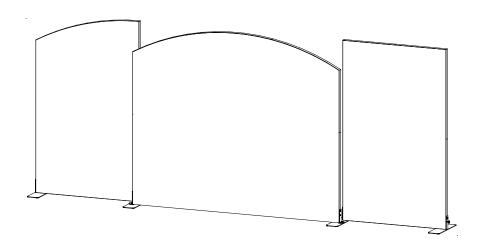

Once all corners are inserted, press one silicon edge into channel from corners and work toward the center. Make sure welt is fully inserted into channel. Continue until all sides are done. Smooth out edges of graphic.

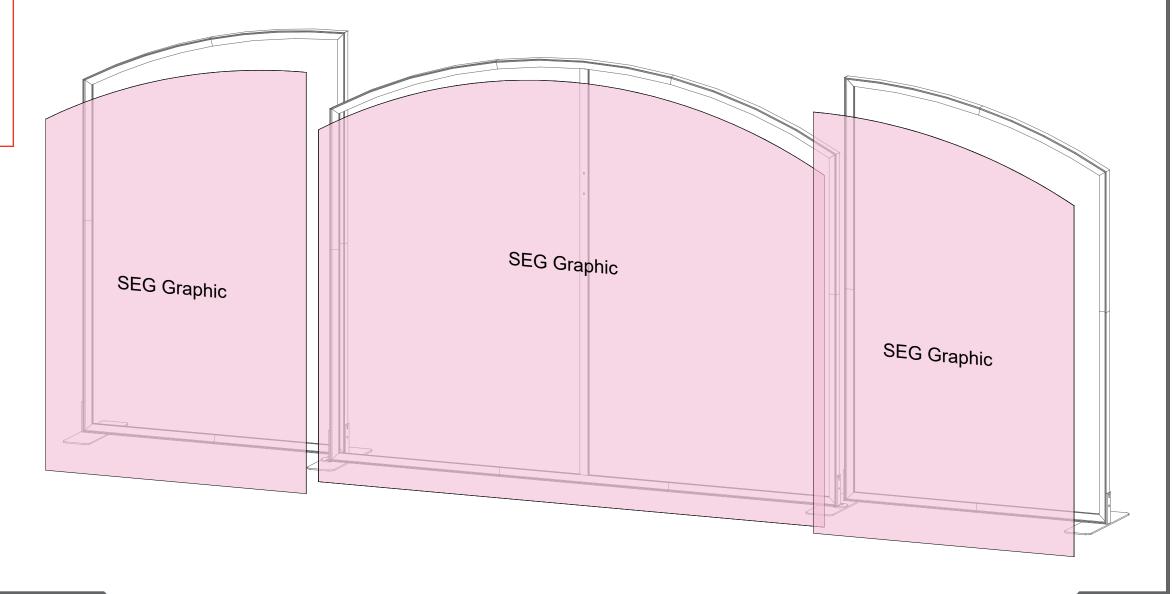

To remove the graphic from the frame, locate the fabric pull tab. Gently pull up on the tab to remove the fabric.

Steps:

1) Apply SEG Graphics to assembled frames. Refer to the SEG Installation general information page.

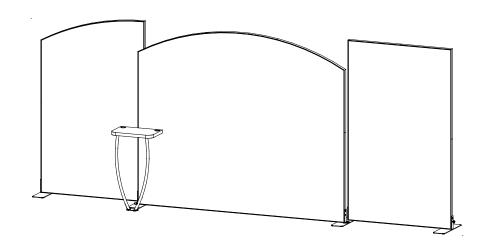

When assembled

Workstation Counter Attachment

Workstation Mounting Bracket Attachment Hook the Mounting Bracket over the vertical extrusion. Tighten thumb screws to secure connection. Slide bracket forward, then down onto V4 connector. V4 connectors stay permanently attached to vertical extrusion. Slide down onto Mounting V4 connector Bracket Slide 0 Bracket 0 Extrusion forward 00 0 0 Tighten knobs TOP VIEW SIDE VIEW to secure.

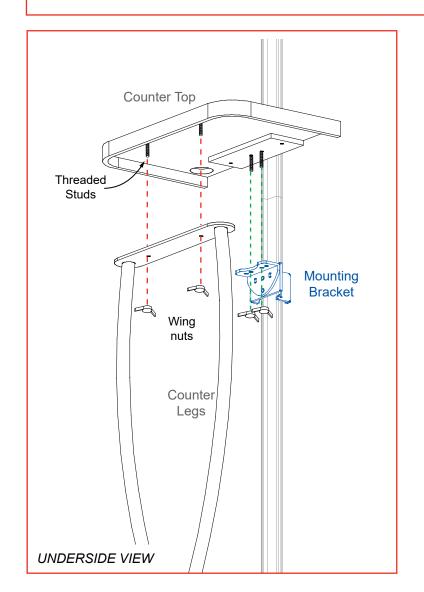

© 2020

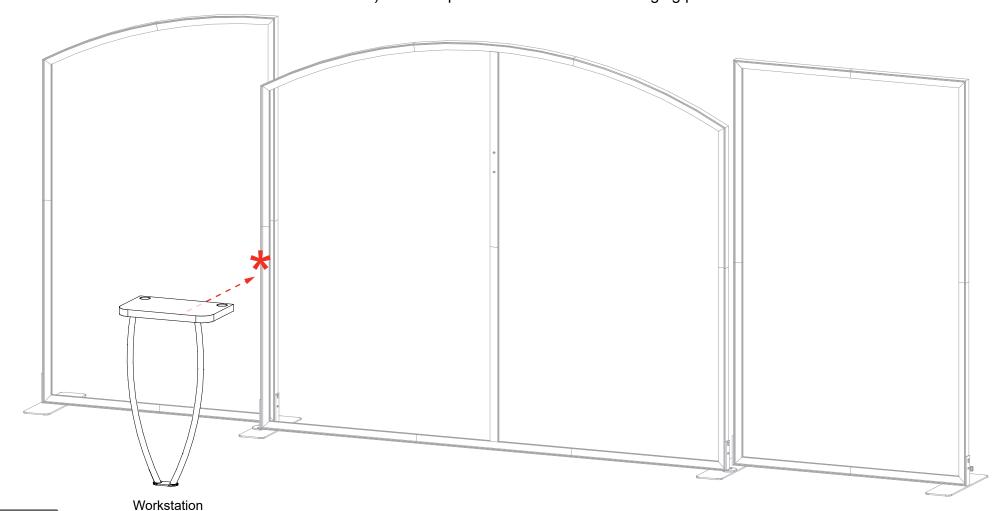

When assembled

Steps:

- 1) Attach Workstation Mounting Bracket to backwall vertical. See Workstation Mounting Bracket Attachment detail.
- 2) Attach threaded studs on underside of Counter Top to Counter Legs & secure with wing nuts.
- 3) Connect Counter assembly to Mounting Bracket using wing nuts.
- 4) Connect power cords to wireless charging pads.
